The City of Pittsburg and Pittsburg Arts and Community Foundation are hosting a Home Rescue workshop presented by CALREBATE. Homeowners will receive foreclosure assistances from lenders represented, if your lender is not present mortgage counselors will be on site to assist.

The representative will review your hardship application, explain the process and how to follow up and help you formulate a course of action. Then the representative will submit your application to your lender for review

To register for this event, please contact 925-997-8052

Lenders Representatives:

Bank of America/Countrywide

Chase/Washington Mutual

GMAC

Lender Representatives will start the modification process and explain the steps and how to follow up.

Pacific Community Services mortgage counselors will be on site to assist clients.
