1:00 pm to 3:00 pm
Meet Stephanie Scott
Walnut Creek Artist**

ARTIST'S TALK, DEMONSTRATION & TRUNK SALE

Stephanie Scott, a local artist, will give a brief talk about how her work in painting and etching developed. She will show both finished watercolor paintings and work in progress to explain the secrets of her specific technique which vividly captures in full color the aliveness and beauty of flowers using watercolor paints.

Next Stephanie will explain how she makes her etchings, showing the tools, materials, examples of an etching plate and the "proofs" that helped develop it into the finished print and she will explain the hand-printing process and demonstrate the final technique of engraving used to finish each plate.

JUST IN TIME FOR MOTHER'S DAY: She will be bringing additional etching and flower prints.
